Safe Harbor Statement

This presentation contains forward-looking statements. These statements are made under the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. The Company may also make forward-looking statements in its periodic reports to the U.S. Securities and Exchange Commission (the "SEC"), in its annual report to shareholders, in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Statements that are not historical facts, including statements about the Company's beliefs and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties, and a number of factors could cause actual results to differ materially from those contained in any forward-looking statement. These factors include, but are not limited to, (i) the pace of recovery from the impact of COVID-19 on our business, our industry and the global economy, (ii) risks associated with the amended Macau gaming law and its implementation by the Macau government, (iii) changes in the gaming market and visitations in Macau, the Philippines and the Republic of Cyprus, (iv) capital and credit market volatility, (v) local and global economic conditions, (vi) our anticipated growth strategies, (vii) gaming authority and other governmental approvals and regulations, and (viii) our future business development, results of operations and financial condition. In some cases, forward-looking statements can be identified by words or phrases such as "may", "will", "expect", "anticipate", "target", "aim", "estimate", "plan", "believe", "potential", "continue", "is/are likely to" or other similar expressions. Further information regarding these and other risks, uncertainties or factors is included in the Company's filings with the SEC. All information provided in this presentation is as of the date of this presentation and the Company undertakes no duty to update such information, except as required under applicable law.

This presentation contains non-GAAP financial measures and ratios that are not required by, or presented in accordance with, U.S. GAAP, including Adjusted property EBITDA and Adjusted EBITDA. The non-GAAP financial measures may not be comparable to other similarly titled measures of other companies since they are not uniformly defined and have limitations as analytical tools and should not be considered in isolation or as a substitute for U.S. GAAP measures. Non-GAAP financial measures and ratios are not measurements of our performance under U.S. GAAP and should not be considered as alternatives to any performance measures derived in accordance with U.S. GAAP or any other generally accepted accounting principles. Reconciliations of such non-GAAP financial measures and ratios to their most directly comparable financial measures and ratios are included in our earnings releases that have been furnished with the SEC and are also available on our Investor Relations website at http://ir.melco-resorts.com.

MELCO

Melco's Sustainability Goals & Achievements

Melco's Sustainability Strategy

Our sustainability strategy lays out ambitious goals, actionable targets and further enhancement to disclosures around key environmental, social, and governance (ESG) issues that are critical to Melco's business.

Key Goals

- **1** ACHIEVE CARBON NEUTRAL RESORTS BY 2030 spanning across all of our properties in Macau, Cyprus and the Philippines
- 2 ACHIEVE ZERO WASTE ACROSS OUR RESORTS BY 2030 eliminate problematic single-use plastics in daily operations and contribute to circular economy in Asia
- **TO BE THE EMPLOYER OF CHOICE** create a best-in-class working environment for our employees, and be the best community partner
- **SEAMLESS INTEGRATION OF SUSTAINABILITY**inspire guests and demonstrate that a sustainable future is a better future

Achievements to Date

Renewable energy:

- Melco has over 25,000 solar panels across our properties in Macau and Manila, that can generate close to 10,000MW annually, equivalent to powering 1,900 households per year*.
- We are increasing our electric vehicle (EV) fleet and reducing our use and ownership of diesel buses. 56 EVs in total fleet across all properties and 132 charging stations

Energy Efficiency Measures:

- We implement ongoing efficiency measures to reduce overall energy consumption.
- Energy-efficiency measures progressively adopted at our properties in Macau and Manila since 2018 have resulted in annualized savings of over 57.4 million kWh, equivalent to the electricity consumption of over 7,900 homes per year.**

Melco's Sustainability Achievements (cont'd)

Single-Use Plastic commitments:

 Avoided 5.2 million single-use plastic (SUP) bottles in 2023 with the NORDAQ water filtration system serving 55% of our guestrooms globally

Food Waste:

- Utilizing Artificial Intelligence (AI)-driven technology, Winnow, to reduce food waste in employee dining rooms (EDRs)
- Continue with ongoing engagement with the Clean Plate Challenge amongst our colleagues with a high participation rate

Sustainable Sourcing:

- 90% of chemicals sourced in 2023 are in the Green and Amber categories, ahead of our 2025 target
- 22% of all seafood purchased by weight from sustainable sources in 2023, an increase of 3% over 2022, in Macau and Manila
- Committed to sourcing 100% cage-free eggs by 2025 across all properties. 100% cage-free eggs sourced for our F&B operations in Manila and 80% in Macau

Other Projects

- Updated materiality assessment process to integrate the concept of double materiality. In 2023, our impact materiality assessment was guided by the Global Reporting Initiative Standards and includes a distinct consideration of financial impact by integrating the financial materiality approach of the IFRS S1 and SASB standards.
- Extended our greenhouse gas (GHG) emissions inventory to encompass Scope 1 & 2 and relevant Scope 3 categories, with verification for all scopes.
- Expanded our climate-related risk assessment under the Task Force on Climate-related Financial Disclosures (TCFD) framework to guide our carbon-neutral resort commitments and to address physical and transition risks.
- Participated in our second year of plastics inventory exercise and continue to implement plan to reduce problematic plastics in line with our commitment to the Global Tourism Plastics Initiative.

Globally Recognized Standards in Sustainability

We have been widely recognized by global institutions for our progress and commitment in sustainability
